Dr. Ezekiel Muendo Kiilu is an in-season humanitarian chaplain, diplomat, and counseling psychologist with extensively dynamic experience in international humanitarian negotiations, theological teaching, and pastoral care. Dr Ezekiel Muendo Kiilu is the National Commander Humanitarian Diplomatic Chaplains in Kenya, the Secretary General to the Association of Pentecostal Vocational Training Institutions of Kenya (APVOTIK), and the present Chairman Kenya Counseling and Psychological Association (KCPA) Kitui County. He also served as the co-chair to the County Commissioner Kitui in the peace and security Multi sectoral stakeholders forum.

His demonstration revolves around deep commitment to the fundamental principles of humanity and standard ethical occupational delivery, possessing a diversified set of skills encompassing policy development, meaningful stakeholder engagement, strategic leadership, and resource management within multicultural and multisectoral cultures and environments. His career is always embodied in fostering teamwork across different ethnic and cultural backgrounds, effective comprehensive complex project management, and strategic plan implementation to promote organizational development and support and enhance service delivery quality. A certified negotiator, mediator, humanitarian diplomat, and trainer. He has excelled in crisis management, conflict resolution, humanitarian diplomacy, and peacebuilding, with consistent alignment to practices within ethical organizational visions and standards.

He holds various advanced degrees in Christian and psychological counseling, theology, governance, and peace and security, accompanied by numerous certifications in counterterrorism, crisis management, training, peacebuilding, and leadership. He has been dedicated to continuous professional development and capacity building for occupational growth. His hands-on expertise encompasses training, mentoring, peacebuilding and security, and capacity development in a multi-sectoral approach, including but not limited to emergency preparedness, peace initiatives, and gender-based violence victim support. He is a proven leader in the Red Cross and national and regional security and peace committees and councils, always committed to the advance of peace, social justice, and security through multi-sectoral coordination and collaboration for strategic innovations, interventions, solutions, and compassionate, impactful service utility.
